RESPONSE TO ELECTION/RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In the Restriction Requirement dated March 24, 2004, the Examiner indicated that the present patent application contained two patentably distinct groups of method claims, and

required an election of one of those two restricted groups, namely, Group I (Claims 1-14) and Group II (Claims 15-19).

Applicant elects to prosecute Group I containing claims 1-14. It should be understood, however, that Applicant reserves the right to file a divisional application or take such other appropriate measures as Applicant deems necessary to protect the invention lying within the non-elected Group II (claims 15-19). It is now believed that an action on the merits is in order, and such action is respectfully requested.

Respectfully submitted,
